Subject: Online Meeting regarding the Status of Exam Registration - July 2026 Semester

Dear Sir/Madam,

During previous semesters, an analysis of learner engagement highlights a significant gap between initial course enrolments and final exam registrations. While student enrolment numbers across various courses have been encouraging, the eventual transition to formal examination registration remains unsatisfactory.

To bridge this gap, maximize learner certification, and increase overall course completion rates, an online meeting has been scheduled with all Course Coordinators, the CEC Team, and EMRC Teams. The primary objective of this session is to review the current registration status, address common student bottlenecks, and strategize active outreach measures while the exam registration portal is live.

Meeting Details:

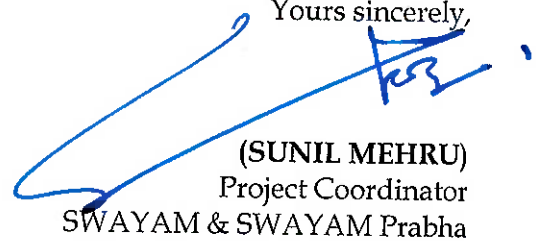

- Topic: Discussion on Exam Registration - July 2026 Semester
- Date: 22nd October, 2026 (Thursday)
- Time: 2:30 PM IST
- Mode: Online
- Zoom Meeting Link: <https://us06web.zoom.us/j/82291932155?pwd=v8LxULoKDU73fS9RZbaPIQsGxeijim.1>

All Course Coordinators are requested to make it convenient to attend the meeting.

Your cooperation in reaching out to students and encouraging timely exam registration is highly solicited.

With regards

Yours sincerely,

(SUNIL MEHRU)
Project Coordinator
