# NOTICE

Apart from MOOC and DTH productions, the Centre shall take up the production of documentary films during 2027.

All Producers and Production Assistants can submit documentary proposals on subjects of educational, social, cultural, scientific or environmental relevance **within ten days of the issuance of this notice to the Director.**

Proposals should be complete in all respects and should contain the following:

1. Title and subject of the documentary
2. Objective, relevance and intended audience
3. Synopsis and treatment (about 500 words)
4. Proposed duration and format
5. Research, locations and permissions required
6. Proposed team and the Centre's resources needed
7. Tentative timeline for research, shooting, editing and completion
8. Estimated budget

Proposals will be examined by the relevant committee, and the selected proposals will be taken up for production.

Submission of a proposal does not by itself guarantee approval.

This may be treated as important.
